

Actual routine

I wake up at half past 9.

I have breakfast then I have two lessons online .

I have lunch at 1 o'clock.

After lunch I usually watch an episode of a tv series with my sister.

In the afternoon I do my homework then I play football outdoor.

What I miss most of my previous routine

I miss especially hanging out freely with my friends and my football team.

I also miss the school and my classmates.

The last thing I miss is to go out with my bike.

What I want to do on my first day out.

On my first day out I want to go to the hairdresser and play football with my friends in the park
